

Design Process for:

What is the Problem I am trying to solve?

I am trying to create

What are some of my ideas? (sketch or write about any ideas that you and your team have)

What materials am I going to use?

Research! What have I found out before I start?

Test It!

What did we find out when testing? Did it do what I wanted?

Redesign!

What are you going to change? Re-sketch/re-write what you are going to do, so that you can achieve your aim.

Evaluate ☺

Did you achieve your aim? What worked well? And What didn't?

What would you continue to change?

How could we change this outcome into something else?
